**-PRESS RELEASE-**

**The Intercultural Christian Mission Of Canada partners with  
LMS Center**

First known as the Life and Revival, Intercultural Christian Mission of Canada was founded in 1974 by Reverend Alberto Carbone. Today, it brings together more than 3,000 Christians from the Francophone, Anglophone and Hispanophone communities of Montreal.

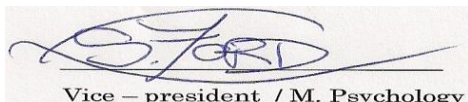

Developing individuals and training leaders in all areas of life represent the two main objectives that Reverend Alberto Carbone and his wife Reverend Manon Carbone cultivate their vision. From this perspective, MCI Canada offers to its youth multiple service such as a dance team, theater, sports and now through the LMS partnership, tutoring services to students.

More specifically, through this LMS partnership, the youth of MCI will benefit from:

- Homework assistance in mathematics and science
- Online educational resources (dictionnary, encyclopedia, etc)
- Various seminars on academic achievement
- Academic orientation on their program of studies

We are confident that with this academic support, MCI youth will maximize their school successes in mathematics and science. The LMS Centre is proud to begin its cooperation with the Intercultural Mission of Canada. For more information on this organization, visit the following website:
